## Please Read !

Hello,

I have received the following information and if you will please take time to read it, I believe it will be beneficial to you.

Dear Friends,

Greetings! I'm a retired attorney. Approximately 2 years ago, a man came to me with a letter similar to this one. He asked me to verify the fact that this was legal. I told him that I would review it and get back to him. When I first read the letter a week and a half later, we met in my office to discuss the issue. I told him that the letter he originally brought to me was not 100% legal and advised to make a small change to the letter.

I was still curious about the letter, so he proceeded to explain how the letter worked. I thought it was a long shot and decided against participation. However, before my client left, I asked him to keep me updated as to his results. About two months later, he called to tell me that he had received over **\$ 800,000 IN CASH**. I did not believe him. He suggested that I try his idea to find out for myself. I thought about it for a couple of days and decided that I didn't have any thing to lose, so I asked for a copy of the letter. I followed the instructions EXACTLY, mailed out 200 copies, and sure enough the money started arriving. It came in slowly at first, but after 3 weeks, I was getting more and more mail that I could open in a day. After 4 months, the money stopped coming in. I kept a precise record of the earnings and at the end; It totaled **\$968,493 IN CASH**.

I was earning a good living as an attorney. However, as anyone in the legal profession will tell you, there is a lot of stress that comes with the job. I told myself that if things worked out, I would stay retired from my practice and play golf. I decided to try it again, but this time I sent out 500 letters, Well 3 months later, my income totaled **\$2,344,178 IN CASH!** I just couldn't believe it. I met my old friend for lunch to find out how it worked. He told me there are quite a number of similar letters like this going around. What made this one different was the fact that there was 7 people on the list, not 5 like many others. That fact alone results in my return. The other part was in guaranteeing that the whole program was legal. Since, no one wants to risk participating in something illegal.

I'll assume by now that you are curious to know what little change it was that I told him to make. Well, if I sent a letter like this one out, to be legal, you must actually be selling something if you expect to receive a dollar. I told him that anyone sending a dollar to him must expect to receive something in return. So, when you send a dollar to each of the 7 people on the list, you must include a slip of paper with the words "Please put my name on your mailing list." This is the key to the program. The dollar that you send to the 7 names listed in this letter buys your name being put on each of these individual's mailing lists and the right to receive thousands of dollars.

Follow the simple rules on page 2 exactly and in less than 3 months, you should receive over \$800,000 IN CASH.

Be HONEST and this will work for everyone, as it is a simple numbers game. Thanks!

My name is Dick Hollma. 1 September 2003, my car was repossessed. Bill collectors were hounding me like you couldn't believe. I was laid off and my unemployment insurance ran out. In October 2003, I was skeptical, but I was desperate. I had nothing to lose, so I gave it a try. In January of 2004, my family and I went on a 10 day cruise. In February, I bought a new Cadillac with cash! Today, I am currently building a second home in Virginia and will never have to work again.

The program works perfectly. I have never failed to make \$800,000 on each mailing. This is a legitimate business opportunity and a perfectly legal money making program. It does not require you to sell anything or come in contact with anyone. Best of all, the only time you have to leave your home is to mail letters, and you could do that on the way to the grocery store! I'm sure you could use \$800,000 in the next 20-90 days. Please study this letter carefully. THIS IS NOT A CHAIN LETTER.

This is a perfectly legal money making opportunity. Follow the instructions EXACTLY!

1. Immediately send \$1.00 to each of the 7 names below and request the following "PLEASE ADD ME TO YOUR MAILING LIST!" It is this step that makes the system legal.
2. Remove the name in the #1 position and move each of the other names up a place (2 becomes 1, 3 becomes 2, etc.) Put your name in the 7<sup>th</sup> position. (An easy way to do this is to retype or print the seven names with yours as number 7 on a separate piece of paper and type over where the names are shown below.)
3. After completing the above instructions, photocopy or print 200 copies of this entire 5 page letter.
4. Purchase a mailing list of names from DATAFAX, INC. Specify that you want names of OPPORTUNITY SEEKERS. They sell a list of 200 names for \$40.00 (500 names for \$80.00) The best part is the names come on self-adhesive labels that you peel and stick to the envelope. Just call 1-877-DATA-977 or go to [www.usdatafax.com](http://www.usdatafax.com). This company accepts MasterCard and Visa, which makes it convenient to get started. They will also ship C.O.D.
5. While waiting for the mailing list to arrive, place each of the 200 (500 if you want the bigger bucks) copies into a business size envelope and seal them (the peel and seal envelopes from Wal-Mart are great). Go to your local post office and purchase 200 of these stamps and place them on the envelopes. (they sell a roll of 100 that are self-adhesive).
6. Once your list arrives, place an address label on each envelope and drop them in the mailbox. Within 20-90 days, you should receive over \$800,000 in cash. Now, here is the interesting part- that is only a 7.5% RESPONSE RATE! ( The first time I participated, I kept an accurate count of my letters and my response rate

Was 9.15% and the second time was over 11%. THIS SYSTEM WAS MADE FOR THE PURPOSE OF ACCUMALATING CAPITAL FAST AND HONELSTY. ONCE AGAIN THIS IS NOT A CHAIN LETTER-this is a perfectly legal money making program. (REFER TO TITLE 19, SEC 1302 OF THE U.S. POSTAL AND LOTTERY LAWS.) When you send 200 copies of this letter and each responsive individual sends 200 copies and sends you a dollar, your fortune multiplies rapidly.

1. Gilbert D. Suarez, 3640 W Shalako Place, Tuscan, AZ 85742
2. Wanda L. Nephew, 5055 E Olive Ave., Fresno, CA 93727-2422
3. Dennis Wiemann, 39624 N. New River Road, Phoenix, AZ 85086
4. Kim V. Archibald, 5367 Blackhawk Dr. Danville, CA 94506
5. Kevin Buckley, 10302 S. Federal Hwy., PMB 142 Port St. Lucie, FL 34952
6. Danery Chirinos 9008 Stoakes Ave. Downey, CA 90240
7. Larry Blake, 50 W 100 N, Richfield, UT 84701

An example of responses, assume for example, you get a 7.5% response rate. ( My first attempt was 9.5% and my second was 11%)

When you send 200 letters, 15 people will send you \$1.00	\$15
Those 15 people mail 200 letters each, 225 respond with \$1.00	\$225
Those 225 people mail out 200 letters each, 3,375 respond with \$1.00	\$3,372
Those 3,372 people mail out 200 letters each, 50,625 respond with \$1.00	\$50,625
Those 50,625 people mail out 200 letters each, 759,375 respond with \$1.00	\$759,375

EVENTUALLY YOUR NAME WILL MOVE TO THE TOP OF THE LIST AND THEN BE DROPPED FROM THE LIST ALL TOGETHER. BUT YOU HAVE RECEIVED \$813,615 IN THE MEANTIME. ON THE ABOVE EXAMPLE, YOU STARTED WITH 7.5% RESPONSE RATE. I GUARANTEE THE MATH IS CORRECT. WITH THIS KIND OF RETURN, YOU HAVE TO TRY IT.

Here are a few tips I've learned:

- A) After you receive your mailing labels, mail the letters ASAP while the list is still fresh.
- B) When you handle a lot of letters, an electric opener is great to have
- C) File your responses alphabetically every day so you have your mailing list that the people who sent the \$1.00 asked to be on are up to date. If you have a computer, all the better. If not, get one with the first mail response.
- D) Stay cool. Keep your job until you have the time to plan the next step
- E) Give 10% of your income to charitable cause
- F) Save 10%, set aside 10% for your mail, 30% for your bills, and 30% for taxes and the rest to play with.
- G) Not enough? MAIL! MAIL! MAIL!

Note: When you send out those letters, you are in the mail order business. People are sending you \$1.00 to be put on a mailing list. This is legal and a helpful service. (SEE TITLE 18, SEV 1342 OF THE US POSTAL AND LOTTERY LAWS).
